# SPONSORSHIP SPOTLIGHT

## The 'Must Have' therapy product for all Equine Disciplines

We would like to thank and introduce Equissage who are now a valued sponsor of PRARG. Many thanks to Lucie Swan for her recent

demonstration at our sign on day, the horses loved it as did the owners!

Equissage Horse physiotherapy incorporates a unique 3 way cycloidal action known as Cycloid Vibration Therapy [CVT] which stimulates blood circulation, assists with lymphatic drainage, relaxes muscles and helps with increased joint mobility.

The concept of Equissage was designed for humans and subsequently refined for horses. This all came about through ongoing research conducted in Hospitals, Medical Universities and Research Institutions. This form of treatment has been proven to be totally non-aggressive, natural and free of drugs and side effects. Because of the excellent efficacy of Equissage, it is used in all major countries around the world. It is recognised as the most versatile, safest and easiest way to help your horse recover to their peak form by speeding up the natural healing process. It is also an essential tool for ongoing health maintenance and improved performance.

**Equissage allows all equine people to manage problems such as:**

- Sore and Cold Backs
- Tendons, Muscle Strains and Tears
- Respiratory Conditions
- Arthritis
- Bruises and Foot Abscesses
- Tying Up
- Laminitis and Colic

More and more horse owners are able to take control of the treatments of their horses and save themselves much in the way of costs during the process. Equissage is used in all horse disciplines from the highest levels of Olympic competition to Pony Club level. Equissage is the recognised leader in equine therapy and this is why horse owners get the best out of their animal's performance by using this 'Worlds Best Practise' equipment. It is the 'Must Have' equipment no matter the status of the horse's well being.

**Feel free to contact us at any time, we can organise one of our Consultants to come out and demonstrate Equissage obligation free. Freecall: 1800 178 528 Email: [info@equissage.com.au](mailto:info@equissage.com.au)**
