The arena usage rules are as follows:

- A maximum of three riders are permitted in the covered arena at any one time.
- Bookings can be made up to a week in advance.
- ~~Only one booking per member can be made at a time (until we see how the system works).~~
- Please cancel your booking if you will be unable to attend so that another rider can use the slot.
- The arena is available for use from 6am to 8pm; with **night use** as follows:
 - Please park near the power pole in front of the toilet block, so you are near the switch to turn on the flood light for parking. Please remember to turn off as you leave.
 - Please carry a torch or other means of lighting so you have your own lighting to get in and out of gate to grounds, to walk and gain access to the switch to turn on the lights, in the case of all lights going out etc.
 - For your own safely riding at night we request you have a support person with you.
 - The switch to the arena lights is near the arena's power box.
 - The arena light switch will be set for 1.5hours at a time.
- If you arrive late for your booking you must still vacate the arena at the end of the allocated time slot.
- To ensure equitable access for all members, no exclusive use bookings are allowed.
- Riders are reminded to be familiar with and adhere to normal arena protocols (pass left to left, give way to faster paces etc).
- Lessons/coaching in the indoor arena are permitted but other riders (up to a maximum of three riders in total) can ride simultaneously.
- Riders are reminded that it is their responsibility to ride safely and within their/their horses ability/comfort zone. If you or your horse experience any issues which could compromise the safety of yourself or other rider(s) please exit the arena.
- Riders must leave the arena clean and tidy and free from horse manure.

Enjoy your riding experience in our amazing arena
