## Newsletter - February 2022

### Message from the President

- Welcome to the 40 new members and many many members who have renewed (to meeting 15.2.22). The response with using Nominate as our membership platform has been very successful. The small downside is that we don't have enough yards to fulfil all the requests. Members will see in the newsletter where most yards are shared based on potentially doing internal opposed to open days with some members always doing both. This will be reviewed for each event and yard allocation reviewed. However if members have a horse that doesn't tie up, becomes a risk issue for any reason at an event, a yard will always be found. Please keep in contact with Angela our membership secretary to discuss any yard issues etc - Angela [prarg.membership@gmail.com](mailto:prarg.membership@gmail.com)
- Sign on Day on 22<sup>nd</sup> January was very successful on two fronts – the members, new and old who turned up to get shirts, keys, join, have a chat and secondly those who helped with the working bee and taming the jungle of the yards, area beside the creek area, spraying, cleaning out the shed etc. Thanks to Angela for organising up and providing much needed bacon and egg burgers to the working bee workers. Unfortunately with the rain it has already grown again but the committee has been working with members to spray, mow etc. If members have any spare time and would like to earn double vouchers for working, please let Angela know.
- The small sub-committee from RASDEG, PRARG and CDG are continuing to meet and fine tune what should be an amazing OTT series in 2022 which will be held July, August and September.
- The results for the online Fun Day competition were presented on sign on day. Results and photos in the newsletter.

**Clinics** – Check out the calendar as there are some new dates added. For clinic on 18<sup>th</sup> April the coaches are Liz Coe, Jacqui Huppert & Jeanette Bourke. 23<sup>rd</sup> April is a pole clinic with Lisa Koppman and 2nd May (Monday public holiday) is a dressage clinic with Kristy Battista. All these clinics (hopefully) will be subsidised under EQ Sports Development Funding. As soon as that is finalised they will be open on Nominate. The June clinic will have coaches – Di Rickards, Nicole Magoffin and Geraldine Van Montfrans (long reining & dressage) with 8<sup>th</sup> October – Nicole Magoffin, Geraldine Van Montfrans & Kristy Battista.

- Competitions** start in earnest in March with the Star Championships (cancelled due to weather) and ribbon day.
  - Due to family and work commitments Caroline has had to resign from the committee but we look forward to still having her help as necessary. **Happy riding everyone**

*Kay*

## IMPORTANT RULES TO FOLLOW AT PRARG GROUNDS

The expectation from our Management Committee, Insurance Provider, Logan Council and Equestrian Australia is to ensure that only financial members of PRARG and registered competitors are permitted to ride on the grounds. To maintain our excellent reputation as a compliant and diligent club this warning reminder is stated:

*Do not allow your friends or other persons to ride your horse while on the grounds. A coach may but must have either EA insurance or their own a certificate of currency.*

There are no exceptions from this ruling and a serious penalty process will apply to anyone who jeopardises the rule. The rules we apply are to protect, one and all, so we expect that you will understand and respect this warning.

**GROUNDS: Anna Flohr - 0407 622 666**

## INSURANCE

As a rider at PRARG, unless you are a **FINANCIAL** member of **Equestrian Australia (via EQ)**, you are **NOT** covered for personal injury should you have a fall at the grounds.

You are covered **24/7** for personal injury as an EA member when you ride. This benefit alone should be reason enough to join, either as a supporter, recreational, participant or competitor.

Details on how to join can be found here [www.qld.equestrian.org.au/membership-categories](http://www.qld.equestrian.org.au/membership-categories)

A Property Identification Code (PIC) is used by Biosecurity Queensland and is unique to your property.

This code is necessary for maintaining property and livestock records as part of the National Livestock Identification System (NLIS).

These requirements:

- Protect our livestock industries from pests and diseases
- Provide a system for individual or group identification if your stock are removed from your property
- Allow you to record individual performance data for management and breeding purposes.

All Queensland properties that have livestock, such as cattle and horses, must have a PIC number.

If you have not already provided PRARG with your PIC number when joining or renewing your membership, please email this through to [prarg.membership@gmail.com](mailto:prarg.membership@gmail.com)

Failure to register your property can result in a \$4,000 fine.

Further PIC information can be found [here](#) (or use a search engine using Property Identification Codes Queensland)
