Club Of The Year

PRACTICE PENCILLING USING TABLETS

When: Sunday 12 February 2023, from 6.30am to 10.00am

Where: Skerman Park, Cnr Olson & Teviot Roads, North Maclean

- ✧ Do you want to learn how to pencil for judges using the Nominate LiveScore Dressage scoring system?
- ✧ Have you pencilled on paper before, but using the tablets terrifies the life out of you?!
- ✧ Do you already pencil regularly using the tablets but want to improve your skill and feel more comfortable with it, without the pressure of doing it in an actual competition?

We are offering a limited number of places to practice pencilling using tablets at the **PRARG Dressage Protocol Day** on Sunday 12 February. There will be no pressure as the protocol tests will be judged and marked using paper sheets, and this is just a practice day for the horse and rider.

Each protocol test slot is 30 minutes – up to 5 mins for the test, and approx. 25 minutes when the judge goes out to the rider to help improve their test movements. In this time, you will be able to continue to play with the scoring app and familiarise yourself with its functions.

- This opportunity is limited to 6 people only (two per judge/ring – one person will pencil on a tablet, the other on paper transferring the scores/remarks to a tablet while the judge works with the rider. These roles can then change alternately)
- The draw (which will list all the tests to be pencilled) will be emailed to participants before the event, plus a guide on how to use the tablets/LiveScore system for prior review, and a useful shorthand guide for common judge remarks.
- The tests being run range from Prep to FEI plus Eventing
- There will be a briefing prior to going to the judges boxes.

The Judges are

- Maria Schwennesen, FEI 5* Dressage Judge, Judge Educator, YH judge educator.
- Liz Coe, Level A Dressage Judge, Judge Educator, Para Equestrian Judge and EA Level 1 Dressage Coach.
- Kay Paulsen, Level C Dressage Judge, Judge Mentor, Para Equestrian Judge, and EA Steward

To book your place, please email Kay Paulsen prarginc81@bigpond.com
